[Intro]
                                              Am7
Well can't you see that it's just rainin'

There ain't no need to go outside

But baby, you hardly even notice

When I try to show you

Maybe we could sleep in

Pretend like it's the weekend now

                                      G7
And we could pretend it all the time
                              Am7
Can't you see that it's just rainin'
                            G7
There ain't no need to go outside

[Verse 2]

But just maybe, laka ukulele

Mama made a baby

Really don't mind to practice
         Am7   C7
Because you're my little lady

         Am7   C7
'Cause I love to lay here lazy
G7   D7
We could close the curtains
     Am7   C7   Am7
Pretend like there's no world outside

[Chorus]
                                      G7
And we could pretend it all the time
                              Am7
Can't you see that it's just rainin'
                            G7
There ain't no need to go outside
                         Am7
Ain't no need, ain't no need
         G7
mmmm mmmm

                         Am7
Can't you see, can't you see
                         G7
Rain all day and I don't mind

[Bridge]
           Am7
But the telephone's singing, ringing
                        D
It's too early, don't pick it up, we don't need to
          Am7
We got everything we need right here
                      D
And everything we need is enough, just so easy
           Bm
When the whole world fits inside of your arms
        Em                        C
Do we really need to pay attention to the alarm
           G7
Wake up slow
         D7
mmmm mmmm
            G7
Wake up slow

[Verse]
         D7          G7            D7
But baby, you hardly even notice
Am7             C7
When I try to show you
         G7                 D7
This song is meant to keep you
          Am7                  C7
From doin' what your supposed to
G7              D7
Wakin' up too early
Am7             C7
Maybe we could sleep
G7              D7
Make you banana pancakes
        Am7                 C7       Am7
Pretend like it's the weekend now

[Chorus]
                               G7
And we could pretend it all the time
                       Am7
Can't you see that it's just rainin'
                     G7
There ain't no need to go outside
                    Am7
Ain't no need, ain't no need
                  G7
Rain all day and I really, really, really don't mind
                        Am7
Can't you see, can't you see
                   G7
You gotta wake up slow
